

Amish Haystack Dinner

Ingredients:

- 1 lb hamburger
- 1 packet Taco Seasoning
- 1 cup Rice (You can substitute a packet of precooked rice to save time)
- 1 can Black Beans
- Crumbled crackers or Oyster Crackers
- Toppings:
 - o You can use whatever your family likes, but the basics are shredded lettuce, chopped tomato, shredded cheese, and salsa. We like to add chopped white onion, chopped scallions, chopped bell peppers, chopped avocado, chopped cilantro, chopped jalepeno, sliced black olives, and hot sauce.

Method: Brown the hamburger and add Taco Seasoning packet in accordance with the directions on the packet. While the meat is browning, cook your 1 cup of rice in 2 cups of water. Bring the rice and water to a boil, add a little salt, then cover, lower the heat, and cook for 20 minutes or until the water is absorbed. Heat the black beans in a separate pan. Once you have everything cooked and chopped, you're ready to assemble. Start by placing a small amount of crackers on the plate, followed by the meat, rice, and beans. Add toppings you like and enjoy!

Very scalable and great for a make-ahead meal for a LOT of people!
