

Simple Jello Salad

Ingredients:

- 6 oz Lemon Jello
- 24 oz Cream Cheese, Softened
- 20 oz Crushed Pineapple, undrained
- 13oz (or 16oz) tub Cool Whip, thawed

Method: With a mixer, beat the cream cheese to lighten it, then blend in the pineapple. Mix thoroughly, then stir in the jello and blend. Lastly, fold in the Cool Whip. Put in a pan, and let it firm up for at least 3 hours.

NOTE: You can use other flavors of jello and fruit to change it up, such as the base recipe, subbing in cherry jello instead of lemon, or orange jello with mandarin orange segments instead of pineapple, or strawberry jello with thawed, frozen crushed strawberries.
