

# May Memorial Teams 20-21

May Memorial has identified Five Ministries that God has given us to do in our work and life together. These are:

1. Worship Ministry—Our Grateful Response to God’s Work is Worship.
2. Stewardship Ministry—How we take care of what God has given us.
3. Hospitality Ministry—How we welcome each other and newcomers into our church.
4. Missions Ministry—How we take good news in words and actions into our world.
5. Spiritual Formation Ministry—How our “inner journey” is formed by formation and education.

To accomplish these Five Ministries, teams have been formed. Teams can change from time to time. New teams are easily formed, and teams who have lived their useful life are allowed to dissolve. Our current teams are:
